Summer "Experience" 2018

Where dance is not only an art but an education.

The "Hip Hop" Experience
Our *"HIP HOP Experience"* will be full of non-stop funky fun! This day will be full of dynamic, high energy classes to keep you moving and grooving all summer long! We will have a short craft time where you will get to design your very own bedazzled hip hop hat to wear throughout the rest of the day.

The "Tumbling" Experience
Tumble on over to AFDA! Students will learn basic "dance" inspired acro moves. That will have them flipping out all summer long!

The "Broadway" Experience
Lights, Camera, Action! Come kick up your heels and strut your stuff at our "*Broadway Experience"*! We will incorporate a variety of dance styles including Jazz and Musical Theater. You will be feeling like Broadway Star by the end of the day!

The "Rockstar" Experience
Are you ready to rock, roll and party like a ROCK STAR! Bring out your inner rock star at this action packed experience. Wear your most outrageous rock outfit (that you can move in) and learn dances to your favorite pop tunes!
