

Summer "Experience" 2018

3 - 6 Year Olds

Where dance is not only an art but an education.

The "Troll" Experience

Come to our "Trolls Experience" to catch the feeling and find your HAPPY place! Come put your hands in the air and dance like you just don't care! The students will be dancing to all the songs from the movie and the instructors will be incorporating many styles of dance!

The "Tumbling" Experience

Tumble on over to AFDA for our "Acro Experience"! Students will learn basic "dance" inspired acro moves. That will have them flipping out all summer long!

The "Moana" Experience

What can we say besides "YOU'RE WELCOME" to join us at our Moana inspired dance experience. Wear your favorite bathing suit and let's surf to the beach and get our hula on!

The "Princess" Experience

Dress up in your favorite princess dress and come be our guest at a fairy tale inspired dance experience. Our princesses will be ready for the ball after taking our ballet, jazz and creative movement classes. You will also get to create your own princess crown to take home!

The "Hip Hop" Experience

Our "HIP HOP Experience" will be full of non-stop funky fun! This day will be full of dynamic, high energy classes to keep you moving and grooving all summer long! We will have a short craft time where you will get to design your very own bedazzled hip hop hat to wear throughout the rest of the day.
